Domestic Return Receipt

I made additional certified mail filings and hand delivered filings in Wood County on January 24, 2016. There were two witnesses, Sam Leeson, and Joe Sandy. When I asked the Circuit Clerk's staff to time stamp the filing, I was told that Judge Reed would have to approve first. On February 8, 2016, I made more filings in Wood County in the Circuit Clerk's office with Joe Sandy.

I asked for a copy of the contents of Thomas David House of Deegan's case files 16-F-25 and 11-F-101. To my astonishment, there are none of the filings that I have done for Thomas in either of his case files! There have been and continue to be egregious violations of due process and obstruction of justice in Wood County and the State of West Virginia to subvert the Rule of Law. It's kill the messenger!

**This proves that Thomas, who was eligible for parole
from home confinement on the 30th of July, has been
railroaded from day one by Judge Reed. Deft, who I
believe is a parole officer, filed for Thomas's parole
on July 15th because of his unblemished record on
home confinement. However, Judge Reed refused to
put Thomas's petition on the docket. Judge Reed is
now charging Thomas with violating home
confinement which carries up to a five year prison
term to be decided by none other than Judge Reed!!!**
